

The Williams Scotsman Logo Standards And Guidelines

Colors & Applications

THE WILLIAMS SCOTSMAN LOGO

Use wherever possible. Most usage will be for applications such as web or print. It is reproduced in CMYK or RGB. Always choose the right artwork for your medium.

DO NOT USE THE OLD WILLIAMS SCOTSMAN LOGO

No new material should use the previous existing logo with the serif typeface. Please substitute with the new logo for consistency.

CMYK COLOR

Used for print applications where full color is available. It is reproduced in **PMS 3415c and Black**.

RGB COLOR

Used for web applications. It is reproduced in **RO G138 B95**.

BLACK & WHITE

Used for print applications where full color is not available. Use for anything that will be faxed or scanned.

REVERSED LOGO

Should only be used over a solid color for visibility.

LOGO WITH TAG

800.782.1500

Spacing & Sizing

MARGINS

The Williams Scotsman logo should always have an open barrier around it. In print situations there should be at least a 1/4" barrier surrounding the logo. When used on the web there should be a barrier of 20apx.

MINIMUM SIZE OF LOGO

The Williams Scotsman logo should never be smaller than 1.0" x 0.51". When used on the web the minimum size of the logo should be 80px x 41px.

RECOMMENDED SIZES

It is important to appropriately size the logo to match the size of ads and collateral. An oversized logo takes up too much space and an undersized one inhibits readability. Here are a few standard options.

US A PAGE (8.5" X 11")

Recommended size:
1.5" x 0.77"

US B PAGE (11" X 17")

Recommended size:
2" x 1.03"

Incorrect Usage Of The Logo

CAN I DO WHAT I WANT WITH THE LOGO?

No, the logo must remain the same at all times. Variations or treatments are not permitted. Here are a few examples of what you can not do.

Never rotate the logo, it must always be horizontal.

Never distort the logo, it must always have the correct proportions.

Never alter the color of the logo.

Never change the elements or redraw the logo.

Never make the logo clear.

Never crop the logo.

Never reverse the colors of the logo. Williams should be contained in color, Scotsman should be in white.

Never reduce the opacity of the logo.

Incorporating Non Williams Scotsman Identities

WHAT ARE NON WILLIAMS SCOTSMAN IDENTITIES?

Any graphic or logo belonging to someone other than Williams Scotsman.

HOW CLOSE SHOULD OTHER IDENTITIES BE TO THE LOGO?

The identities must be at least 1/4" away from the Williams Scotsman logo.

WHAT SHOULD THE RELATIVE SIZE OF A NON WILLIAMS SCOTSMAN LOGO'S BE?

It is important that other identities do not dominate the Williams Scotsman logo. Other identities are centered either to the side or below the logo. No identity should be taller or larger than the Williams Scotsman logo.
